

**ROSE FOUNDATION**

For Communities and the Environment  
 9/1/2001 – 8/31/2002

<b>Environmental Restitution Funds</b>		
Under the supervision of the courts and the U.S. Justice Department, the Rose Foundation has developed a specialized program to act as trustee over restitution payments from litigation settlements, and administer grants to community organizations in conformance with the nexus of the settlement.		
Agape Foundation	\$20,000	Supports environmental advocacy to reduce the pollution impacts of destructive logging practices on the sensitive watersheds of California's north coast.
ARC Ecology	\$21,000	Supports community technical assistance and environmental advocacy related to cleaning up toxics on closed military facilities in the San Francisco Bay area.
Chabot Elementary School Garden Project	\$5,800	Support environmental education program serving 400 youth.
California CoastKeeper	\$18,000	Assist community-based efforts to protect Monterey Bay.
CalPIRG Charitable Trust	\$12,000	For a report (and related media outreach) examining the effectiveness of current monitoring and enforcement of wastewater and stormwater pollution discharges into the Bay/Delta.
Center for Community Action and Environmental Justice	\$9,794.80	Advocate reduction of severe pollution problems from industrial sources and inappropriate commercial development in the Riverside County area.
Center for Environmental Health	\$10,000	Protect the public from health hazards by reducing the use of toxic chemicals.
Coalition for Clean Air	\$100	Supports pre-development activities toward opening an office in the Sacramento area.
Communities for a Better Environment	\$11,336.30	Reduce environmental threats to the water quality of San Francisco Bay and protect the health of low-income people of color.
Desert Protection Society / Eagle Mountain Project	\$20,000	Opposition to the construction of a huge landfill next to Joshua Tree National Monument that would take 40 million pounds/day of trash from LA County for the next 100 years.
Ecological Rights Foundation/ Lawyers for Clean Water	\$50,000	Citizen enforcement of industrial storm water permits within the City of Oakland.
Ecological Rights Foundation	-\$5,145	Returned excess funds, project completed.
Environment Now	\$25,000	Help launch a multi-organizational effort to address industrial pollution at the Port of Los Angeles.
Environmental Working Group	\$10,000	Publicize the findings of fish tissue sampling research for San Francisco Bay PDBE contamination in the news media and non-English language information outlets.
Estuary Action Challenge/ Kids for the Bay	\$10,000	Educate East Bay students about local creeks, foster restoration and stewardship, and plan pollution reduction efforts in cooperation with several school districts.
Friends of the River	\$15,000	Implement the three-year strategic plan promoting a mix of public education, grassroots organizing, coalition building, public policy advocacy, and litigation to protect and restore rivers, watersheds, aquatic systems, and biodiversity.
National Association for Public Interest Law	\$20,000	Helps defray the training of a legal intern in water quality citizen enforcement.
Natural Resources Defense Council / Green Ports Campaign	\$25,000	Identify potential best environmental practices and a menu of opportunities for pollution prevention that will provide a blueprint for cleaning up the Port of Oakland and reducing pollution at ports throughout the country.
Pesticide Action Network	\$15,000	Expand an on-line Pesticide Information Database to include key water related data currently unavailable on the web.
Save our Danville	\$9,355	Expert hydrology and biology support to evaluate the impacts of the Wendt Ranch

**ROSE FOUNDATION**

For Communities and the Environment  
 9/1/2001 – 8/31/2002

Creeks / California Red-Legged Frog Project		Project on endangered species in the Contra Costa County area.
Save the Bay	\$12,400	Promote wetlands restoration, toxic cleanup, and community involvement in the decision making process for the redevelopment of Moffet Field.
Sierra Nevada Alliance	\$2,000	Provides scholarships to enable community members to attend a major conference exploring upstream impacts to San Francisco Bay ecosystem water quality.
Transportation for a Livable City	\$10,000	Create a balanced and sustainable transportation network throughout the City of San Francisco and promote complementary land use for a safer, healthier, more environmentally sustainable, and a more accessible city.
Turtle Island Restoration Network / Salmon Protection & Watershed Network (SPAWN)	\$4,700	To develop a citizen-based water quality monitoring program on Lagunitas creek, conduct public education activities, participate in the regional water board's process for setting water quality goals for the creek, and develop and implement a model restoration project.
Urban Ecology	\$5,000	Community based sustainable urban design planning within the context of the redevelopment of a former manufacturing facility in San Francisco.
Waterkeepers	\$1,965	Funds court-ordered oversight of a Clean Water Act Consent Decree.
West, Inc	\$6,431.73	Supports technical studies related to the remediation of acid mine drainage in the Clear Lake area.
Women's Voices for the Earth	\$10,000	To reduce the threat to public health of a catastrophic toxic release from either an accident or terrorist incident by encouraging the reduction of toxic materials.
Total	354,737.83	

<b>Privacy Rights Fund</b>		
To support California-based projects that relate to preservation and/or advocacy of consumer privacy rights.		
CalPIRG Charitable Trust / Consumer Protection Project	\$50,000	Educate California consumers about financial privacy, identity theft and other abuses of personal information.
Consumer Action	\$100,000	Increase the capacity of community-based organizations throughout California serving senior, disabled, low-income, disadvantaged, and immigrant populations to help their constituents protect their privacy, including distribution of multi-lingual privacy education materials.
Consumer Federation of California Education Fund	\$162,350	Organize a broad-based network of California consumers around privacy protection. Includes the publication of report cards describing financial institution policies and legislative activity.
Electronic Frontier Foundation/ First Amendment Project	\$65,000	Educate internet service providers about the privacy rights of subscribers and help cyberspace consumers assert their privacy rights.
First Amendment Project/ Electronic Privacy Information Center	\$55,000	Organize a statewide symposium to advance the overall dialogue and public understanding of the relationship between privacy, civil liberties, and freedom of speech.
Identity Theft Resource Center	\$75,000	General support.
Privacy Foundation	\$17,000	Analyze the data handling practices of online job-search web sites and produce a report with a scorecard and consumer friendly rating system.
Privacy Rights Clearinghouse	\$145,000	General support.
Total	\$669,350.00	

**ROSE FOUNDATION**

For Communities and the Environment  
 9/1/2001 – 8/31/2002

<b>Donor Advised</b>			
The Rose Foundation works closely with individual donors to help them design and implement philanthropic goals.			
Community Technical Assistance Contracts	\$20,568.30	San Francisco Bay TMDL Project – Technical assistance contracts to community-based organizations working collaboratively with regulatory agencies to develop pollution discharge standards under the Clean Water Act.	
	\$28,656.14	Silicon Valley Toxics Coalition – Supports community participation in the Santa Clara Basin Watershed Management Initiative process.	
Misc Donor Advised	\$9,000	Arc Ecology – Supports community technical assistance and environmental advocacy related to cleaning up toxics on closed military facilities in the San Francisco Bay area.	
Watershed Watch Campaign	\$ 1,500	Santa Clara Valley Urban Runoff Pollution Prevention Program – Funds watershed-based environmental education programs at the San Jose Discovery Museum.	
Wheeler Fund	\$23,510	The Wheeler Fund makes discretionary grants to youth, education, arts and environmental programs.	
		\$500	Berkeley High School – BHS Organizer
		\$500	Berkeley High School – Common Ground
		\$1,000	Berkeley High School Development Group
		\$500	Berkeley High Men's Lacrosse
		\$5,000	Berkeley Unified School District Nutrition Network Program for School Gardens
		\$1,000	Berkeley Public Education Foundation
		\$5,000	Building Opportunities for Self-Sufficiency for the Berkeley Urban Gardening Institute
		\$5,000	Food Systems Project for the "School to Farm" Field Studies Program
		\$3,000	Friends of 5 Creeks
		\$100	KPFA
		\$500	Lines Contemporary Ballet
		\$100	New Dimensions Foundation
		\$250	Northern California Cancer Center
\$1,000	Regional Parks Foundation		
	\$60	Slow Food USA	
Total Donor Advised	\$83,234.44		

<b>Fiscal Sponsorship Funds</b>		
The Rose Foundation provides sponsorship and management assistance to selected projects whose goals directly further the Foundation's own mission.		
Alliance for Clean Waterfront	\$65,800	<i>SFO/SF Bay Project 2000+</i> – Funded environmental community input into the proposed runway expansion at San Francisco Airport, and the redevelopment of San Francisco's waterfront.
